

## **CURRICULUM VITAE**

### **PERSONAL DATA**

**NAME:**        **Stephen T. Chermack, Ph.D.**

### **ADDRESSES**

**Office Address:**

Psychiatry Service (116A)

VA Ann Arbor Health Care System

2215 Fuller Road

Ann Arbor, MI 48105

Telephone: (734) 769-7100 ext. 7406

Email:        Chermack@umich.edu

Fax:         (734) 769-7416

### **EDUCATION**

- 1/91-5/94            Ph.D., Kent State University, 1994  
(Clinical Psychology - APA approved program)  
Title of dissertation: Alcohol and human physical aggression:  
Pharmacological versus expectancy effects
- 9/87-12/90           M.A., Kent State University, 1990  
(Clinical Psychology)  
Thesis title: Secobarbital and human physical aggression
- 8/83-6/87            B.A., State University of New York at Buffalo, 1987  
(Psychology)

### **POSTDOCTORAL TRAINING**

- 9/94-11/96           Postdoctoral Fellow. University of Michigan Alcohol Research Center,  
Ann Arbor, MI. Responsibilities included developing a brief intervention  
for elderly problem drinkers, conducting diagnostic assessments and brief  
interventions in a randomized controlled clinical trial, training and  
supervising graduate students in conducting diagnostic assessments and  
brief interventions, conducting personality and neuropsychological  
assessments, grant writing, and the preparation of papers for conference  
presentations and publication in professional journals.

### **ACADEMIC APPOINTMENTS**

- 2/03-present        Assistant Professor. Department of Psychiatry, University of  
Michigan Medical School. Responsibilities include conducting and  
collaborating on research focusing on substance abuse and mental health,  
including treatment engagement and outcome, violence and victimization,  
health care utilization and severe mental illness. Responsibilities also  
include training and supervision of psychiatry residents, psychology  
interns and medical students.

- 1/00-2/03      Adjunct Assistant Research Scientist. Department of Psychiatry, University of Michigan Medical School. Responsibilities include conducting and collaborating on research focusing on substance abuse, including treatment engagement and outcome, violence and victimization, health care utilization and severe mental illness.
- 3/97-2/03      Clinical Assistant Professor, Voluntary Faculty Appointment. Department of Psychiatry and Behavioral Neurosciences, Wayne State University Medical School, Detroit, MI. Responsibilities include training of psychology interns, psychiatry residents, medical students and physician's assistants, and research on assessment and treatment of substance abuse.

### **CLINICAL/HOSPITAL APPOINTMENTS**

- 2/03-present      Chief, Outpatient Mental Health Clinic. Psychiatry Service (116A)  
VA Ann Arbor Health Care System
- 7/03-12/03      Acting Chief, Hospital-Based Intensive Outpatient Treatment (HIOT)  
Program, VA Ann Arbor Health Care System
- 11/96-2/03      Clinical Psychologist. John D. Dingell VA Medical Center.

### **CONSULTING POSITIONS**

- 5/01-7/02      University Psychiatric Center Jefferson Avenue Research Clinic, Wayne State University, Department of Psychiatry and Behavioral Neurosciences, Wayne State University Medical School, Detroit, MI.

### **SCIENTIFIC ACTIVITIES**

#### *Journal Reviewer*

Aggressive Behavior, Alcoholism: Clinical and Experimental Research, Drug and Alcohol Dependence, Experimental and Clinical Psychopharmacology, Journal of Applied Social Psychology, Journal of Consulting and Clinical Psychology, Journal of Studies on Alcohol, Psychology of Addictive Behaviors, Psychology of Women Quarterly

### **GRANT SUPPORT:**

#### *Past*

National Institute on Alcohol Abuse and Alcoholism. "Treatment Impact of Violence History among Alcoholics, Principal Investigator." Role: Principal Investigator. Dates: 3/1/96-2/28/98; Total costs: \$30,467.

Department of Veterans Affairs, Health Services Research and Development, SMITREC, "The Patient-Centered Treatment of Dually Diagnosed Veterans." Role: Co-Investigator. Dates: 07/00 – 06/02; Total Costs: \$421,933.

Peter F. McManus Charitable Trust; "Genotypic variation in the serotonergic system associated

with familial risk for alcoholism, inhibitory control of behavior, aggression and depression;" Jennifer M. Glass (P.I.) Role: Co-investigators. Dates: 1/1/02-12/31/03; \$50,000 total costs.

*Pending:*

National Institute on Drug Abuse. Behavioral Therapies Development Program, "Developing Violence Therapy for Substance Abusers." Percent effort: 30%. Role: Principal Investigator. Dates: 7/1/04-6/30/07; Total costs: \$1,147,500.

National Institute on Alcohol Abuse and Alcoholism. "Services Interventions For Injured Ed Problem Drinkers," Percent effort: 10%. Principal Investigator: Frederic C. Blow, Ph.D.; Role: Co-Investigator. Dates: 07/01/04-06/30/09; Total direct costs: \$2,318,354

National Institute on Drug Abuse. "'Services Interventions for Injured Substance Abusers.'" Percent effort: 15% year 1, 5% year 2, 15% year 3. Principal Investigator: Frederic C. Blow, Ph.D.; Role: Co-Investigator. Dates: 04/01/04-03/31/09; Total direct costs: \$2,403,158.

National Institute on Drug Abuse. "Enhancing Adolescent Health Promotion Across Multiple Risk Behaviors." Percent effort: 20%. Principal Investigator: Maureen Walton, Ph.D.; Role: Co-Investigator. Dates: 12/1/04-11/30/09; Total direct costs: \$3,555,365.

National Institute on Drug Abuse. "'Tailored Youth Drug Intervention in Primary Care.'" Percent effort: 15%. Principal Investigator: Frederic C. Blow, Ph.D.; Role: Co-Investigator. Dates: 09/30/04-09/29/09; Total direct costs: \$2,483,078.

### **CERTIFICATION AND LICENSURE**

State of Michigan License #6301009532; Expiration Date: 8/31/2004

### **HONORS/AWARDS**

Summa Cum Laude, State University of New York at Buffalo

Phi Beta Kappa

American Psychological Association's Dissertation Research Award

The Society for the Psychological Study of Social Issues Grants-in-Aid Award

Sigma Xi Grants-in-Aid of Research Award

National Institute on Alcohol Abuse and Alcoholism Postdoctoral Fellow, University of Michigan

### **MEMBERSHIPS IN PROFESSIONAL SOCIETIES**

Research Society on Alcoholism

American Psychological Association

## **TEACHING ACTIVITIES**

- 2/03-present      Assistant Professor. Department of Psychiatry, University of Michigan Medical School, Ann Arbor, MI. Responsibilities include training of psychology interns, psychiatry residents, medical students and physician's assistants, as well as research on assessment and treatment of substance abuse and severe mental illness.
- 3/97-present      Assistant Professor. Department of Psychiatry and Behavioral Neurosciences, Wayne State University Medical School, Detroit, MI. Responsibilities include training of psychology interns, psychiatry residents, medical students and physician's assistants, as well as research on assessment and treatment of substance abuse and severe mental illness.
- 9/95-present      Lecturer. Addiction Research Center, Department of Psychiatry, University of Michigan.
- 1/91-5/91          Course Instructor. Kent State University, Kent, OH. Taught Introduction to Psychology.
- 8/89-5/90          Course Instructor. Kent State University, Kent, OH. Taught Introduction to Psychology and Psychology of Adjustment.

## **EXTRAMURAL INVITED PRESENTATIONS**

- "Brief Interventions with Older Problem Drinkers," invited lecture, Wayne State University, Institute of Gerontology, 11<sup>th</sup> Annual Continuing Education Program: Issues in Aging. May 18-20, 1998, Troy, MI.
- "Substance use and violence: Current theories, empirical findings and clinical implications," Grand Rounds, Department of Psychiatry and Behavioral Neurosciences, Wayne State University, Detroit, MI, February 21, 2001.

## **OTHER PRESENTATIONS**

- Chermack, S.T., Walton, M.A., Blow, F.C. (2003). Expressed and received violence severity among men and women in substance abuse treatment: Substance use and contextual factors. Poster presented at the Annual Meeting of the Research Society on Alcoholism, Fort Lauderdale, FL.
- Flynn, H.A., Chermack, S.T., Blow, F.C., Marcus, S.M. (2003). Psychosocial correlates of drinking during pregnancy in an obstetrics sample. Poster presented at the Annual Meeting of the Research Society on Alcoholism, Fort Lauderdale, FL.
- Chermack, S.T., Walton, M.A., Bingham, C.R., Blow, F.C. (2002). Violence among men and women in substance abuse treatment: the role of alcohol consumption and expectancies.

Poster presented at the Annual Meeting of the Research Society on Alcoholism, San Francisco, CA.

Chermack, S.T. (2002). Violence among men and women with substance abuse problems: linking distal and proximal influences. Paper presented at the Annual Meeting of the Research Society on Alcoholism, San Francisco, CA.

Chermack, S.T., Fuller, B.E.; & Blow, F.C. (2001). Violence among men and women in substance abuse treatment: An examination of the relationships among distal developmental influences and proximal factors related to violence severity. Poster presented at the Annual Meeting of the Research Society on Alcoholism, Montreal, Canada.

Walton, M.A., Chermack, S.T., Blow, F.C. (2001). Correlates of violence among substance abusers pre- and post-treatment. Poster presented at the Annual Meeting of the Research Society on Alcoholism, Montreal, Canada.

Chermack, S.T., Blow, F.C., Fuller, B.E., & Grabowski, J. (2000). The use of the addiction severity index in predicting substance abuse treatment engagement and health services utilization. Paper presented at the Annual Meeting of the Research Society on Alcoholism, Denver, Colorado.

Chermack, S.T., Fuller, B.E., & Blow, F.C. (2000). Violence among men and women in substance abuse treatment: The role of alcohol and cocaine consumption, relationship type and demographics. Poster presented at the Annual Meeting of the Research Society on Alcoholism, Denver, Colorado.

Chermack, S.T., Stoltenberg, S.F., Fuller, B.E. & Blow, F.C. (2000). Gender differences in the development of substance-related problems: the impact of family history of alcoholism, family history of violence, and childhood conduct problems. Poster presented at the Annual Meeting of the Research Society on Alcoholism, Denver, Colorado.

Chermack, S.T., Fuller, B.E., & Blow, F.C. (2000). Factors associated with violence among men and women in substance abuse treatment. Paper presented at the Annual Meeting of the American Psychological Society, Miami, FL.

Chermack, S.T., Walton, M.A., Fuller, B.E., & Blow, F.C. (2000). General and gender-specific markers of violence and victimization among individuals in substance abuse treatment. Poster presented at the Annual Meeting of the American Psychiatric Association, Chicago, IL.

Chermack, S.T., Fuller, B.F., & Blow, F.C. (1999). Patient Presenting characteristics as predictors of couple and non-couple violence severity among treatment seeking alcoholics. Poster presented at the Annual Meeting of the Research Society on Alcoholism, Santa Barbara, California.

Stoltenberg, S.F., Chermack, S.T., & Blow, F.C. (1999). Relationships among family history of alcoholism, family history of violence, and school conduct problems. Poster presented at

the Annual Meeting of the Research Society on Alcoholism, Santa Barbara, California.

Barry, K.L., Blow, F.C., Walton, M.A., Chermack, S.T., Mudd, S.A., Coyne, J.C., Gomberg, E.S.L. (1998). Elder-specific brief alcohol intervention: 3-month outcomes. Poster presented at the Annual Meeting of the Research Society on Alcoholism, Hilton Head, South Carolina.

Chermack, S.T. , & Blow, F.C. (1998). Factors related to violence among treatment seeking alcoholics. Poster presented at the Annual Meeting of the Research Society on Alcoholism, Hilton Head, South Carolina.

Mudd, S.A., Blow, F.C. , Snedecor, S.M., Walton, M.A., Chermack, S.T. , & Nelson, B.W. (1998). Stages of change in an elder-specific brief alcohol intervention: Relationship to measures of drinking. Poster presented at the Annual Meeting of the Research Society on Alcoholism, Hilton Head, South Carolina.

Chermack, S.T., Blow, F.C., Walton, M.A., Mudd, S.A., Nelson, B.W., Brower, K.J., & Comstock, M.A. (1997). Twelve month treatment outcome for elderly alcoholics following elder-specific alcohol treatment. Poster presented at the Annual Meeting of the Research Society on Alcoholism, San Francisco, California.

Blow, F. C., Walton, M.A., Mudd, S.A. , Brower, K.J., Comstock, M.A., & Chermack, S.T. (1996). Predictors of Treatment Outcome for Elderly Alcoholics Following Elder-Specific Inpatient Treatment. Poster presented at the Annual Meeting of the Research Society on Alcoholism, Washington, D.C.

Chermack, S.T., Blow, F.C., Walton, M.A., Mudd, S.A., and Hill, E.M. (1996). Older adults with Alcohol diagnoses: An examination of early and late onset. Poster presented at the Annual Meeting of the Research Society on Alcoholism, Washington, D.C.

Walton, M. A., Blow, F. C., Chermack, S.T. , Gomberg, E.S.L. , Mudd, S.A. , Nelson, B.W. & Coyne, J.C. (1996). Alcohol problems and health functioning of older adults screened in primary care settings. Poster presented at the Annual Meeting of the Research Society on Alcoholism, Washington, D.C.

Walton, M. A., Blow, F.C., Chermack, S.T. , Gomberg, E.S.L. & Mudd, S.A. (1996). Long-term follow-up of older alcoholics not in treatment. Poster presented at the Annual Meeting of the Research Society on Alcoholism, Washington, D.C.

Chermack, S.T., & Blow, F.C. (1995). Recommended alcohol consumption levels for problem-free drinking by older adults. Poster presented at the Annual Meeting of the Research Society on Alcoholism, Steamboat Springs, Colorado.

Chermack, S.T., & Blow, F.C. (1995). Older adults with histories of alcoholism who are currently asymptomatic for alcohol problems. Poster presented at the Annual Meeting of the Research Society on Alcoholism, Steamboat Springs, Colorado.

Chermack, S.T., Blow, F.C., Singer, K., & Beresford, T.P. (August, 1995). Screening for

alcoholism in medical settings: Are collateral reports needed? Paper presented at the Annual Meeting of the American Psychological Association, New York, New York.

### **COMMITTEE AND ADMINISTRATION SERVICE**

2/2004-Present	Clinical Council, Department of Psychiatry, University of Michigan
2000-2003	Clinical Guidelines Implementation Committee, John D. Dingell VA Medical Center
1999-2001	Mental Health Service Operations Committee, John D. Dingell VA Medical Center
1997-2003	Mental Health Service External Accreditation Task Force, John D. Dingell VA Medical Center
1999-2003	VISN 11 Addictions Program Advisory Group (Chairperson – 2001-2003)
1996-2003	Chemical Dependency Program Evaluation and Development, John D. Dingell VA Medical Center
1998-1999	Mental Health Service Line Work Group, Team leader, John D. Dingell VA Medical Center

### **SERVICE**

2/03-present	Chief, Outpatient Mental Health Clinic, VA Ann Arbor Healthcare System. Responsibilities include administration of the outpatient Mental Health Clinic, individual and group psychotherapy for individuals with mental health problems, developing and implementing new assessment strategies and treatment programming to address the varying clinical needs of patients receiving treatment, and research on substance abuse and mental health issues.
7/03- 12/03	Acting Chief, Hospital-Based Intensive Outpatient Treatment (HIOT) Program, VA Ann Arbor Healthcare System. Responsibilities include administration of the outpatient HIOT Program, developing and implementing new assessment strategies and treatment programming to address the varying clinical needs of patients receiving treatment, and clinical supervision of staff as needed.
11/96-2/03	Clinical Psychologist. John D. Dingell VA Medical Center, Detroit, MI. Responsibilities include conducting diagnostic assessments, consultation services, individual and group psychotherapy for individuals with substance abuse and other mental health problems, developing and implementing new assessment strategies and treatment programming to address the varying clinical needs of patients receiving substance abuse

treatment, administrative tasks, and research on substance abuse.
